Needs and Uses: The Independent Review Commission on Sexual Assault in the Military recommended that the Department “institute a pilot program to link Service members with resources and support” to actively support Service members with the most effective prevention interventions. The information collection is necessary to understand whether the Coaching for Resilience and Trauma-Informed

Leadership Training pilot can be implemented with fidelity in the military as a primary prevention activity and whether it will produce beneficial outcomes. This information will help support the development of evidence-based approaches for prevention.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

DoD Clearance Officer: Mr. Reginald Lucas.

Defense Innovation Board; Notice of Federal Advisory Committee Meeting

AGENCY: Department of Defense (DoD).

ACTION: Notice of Federal Advisory Committee meeting.

SUMMARY: The DoD is publishing this notice to announce that the following Federal Advisory Committee meeting of the Defense Innovation Board (DIB) will take place.

DATES: January 13, 2025, 3:00 p.m.–3:45 p.m. Eastern Standard Time (EST); open to the public, 4:00 p.m.–4:30 p.m. EST; closed to the public.

ADDRESSES: The open and closed portions of the DIB public meeting on January 13, 2025 will take place at the Pentagon, in Washington, DC. The open portion of the meeting will be accessible to the public virtually, via the Defense Visual Information Distribution Service.

FOR FURTHER INFORMATION CONTACT: Dr. Marina Theodotou, Designated Federal Officer (DFO) at (703) 945-5652 (voice) or osd.innovation@mail.mil. Mailing address is Defense Innovation Board, 4800 Mark Center Drive, Suite 15D08, Alexandria, VA 22350-3600. The most up-to-date changes to the meeting agenda and link to the virtual meeting can be found on the website at <https://innovation.defense.gov>.

SUPPLEMENTARY INFORMATION: This meeting is being held under the provisions of chapter 10 of title 5, United States Code (U.S.C.) (commonly known as the “Federal Advisory Committee Act” or “FACA”); 5 U.S.C. 552b; and 41 Code of Federal Regulations (CFR) 102-3.140 and 102-3.150.

Due to circumstances beyond the control of the DFO and the DoD, the DIB was unable to provide public notification required by 41 CFR 102-3.150(a) concerning its January 13, 2025 meeting. The circumstances included the DIB’s calendar availability related to when to hold the meeting due to the new administration transition timeline and an internal transition of the DIB to a new DoD Sponsor, the Director of the Defense Innovation Unit (DIU). Accordingly, the Advisory Committee Management Officer for the DoD, pursuant to 41 CFR 102-3.150(b), waives the 15-calendar day notification requirement.

Purpose of Meeting: The mission of the DIB is to provide the Secretary of Defense (SecDef), the Deputy Secretary of Defense (DepSecDef), and the Director of the DIU independent advice and strategic insights on emerging and disruptive technologies and their impact on national security, adoption of commercial sector innovation best practices, and ways to leverage the United States innovation ecosystem to align structures, processes, and human capital practices to accelerate and scale innovation adoption, foster a culture of innovation and an experimentation mindset, and enable the DoD to build enduring advantages. The DIB focuses on innovation-related issues and topics raised by the SecDef, the DepSecDef, or the DIU. The objective of this DIB meeting is to present its two current recommendations resulting from its two current studies: “A Pathway to Scaling Unmanned Weapon Systems” and “Scaling Nontraditional Defense Innovation”, and vote on the advice and recommendations for the Department to adopt.

Agenda: The DIB’s open portion of the meeting will take place on January 13, 2025, 3:00 p.m.–3:45 p.m. EST. The DIB DFO, Dr. Marina Theodotou, will open the meeting and introduce the DIB Chair, Michael Bloomberg for his welcome and opening remarks. The DIB Chair and members will discuss relevant innovation topics through open discussions, present their findings and recommendations to the DIB for deliberation, and vote on its two current studies: “A Pathway to Scaling Unmanned Weapon Systems” and “Scaling Nontraditional Defense Innovation”. Additionally, the DepSecDef will speak on the overall work of the DIB and the value of the recommendations it has provided to the Department. Next, the DFO will read written public comments into the meeting record, followed by closing remarks from the DIB’s Chair, and

adjournment of the open portion of the meeting by the DFO.

The DIB will continue in a closed session from 4:00 p.m. to 4:30 p.m. during which the DIB members will brief the SecDef on the findings and recommendations of their two current studies, and discuss classified matters relating to unmanned systems, scaling innovative processes and procedures, and approaches to strengthen how the Department engages with Industry to drive faster tech adoption.

Meeting Accessibility: Pursuant to 1009(a)(1) of the FACA and 41 CFR 102–3.140 and 102–3.150, the open meeting will be accessible to the public virtually on January 13, 2025, 3:00 p.m.–3:45 p.m. EST. Members of the public wishing to attend the meeting virtually will be able to access a link published on the DIB website the morning of the meeting.

In accordance with 1009(d) of the FACA and 41 CFR 102–3.155, the DoD has determined that part of the DIB meeting will be closed to the public on January 13th, from 4:00 p.m. to 4:30 p.m. Specifically, the DDIU as the DIB Sponsor, in consultation with the DoD Office of General Counsel, has determined in writing that this portion of the meeting will be closed to the public because the DIB will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the classified nature of discussions related to national security. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meeting. To permit this portion of the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DIB's findings and recommendations to the SecDef.

Written Statements: Pursuant to 41 CFR 102–3.150(6) and 102–3.140 and 1009(a)(3) of the FACA, the public or interested organizations may submit written comments or statements to the DIB in response to the stated agenda of the meeting or regarding the DIB's mission in general. Written comments or statements should be submitted to Dr. Marina Theodotou, the DFO, via email to osd.innovation@mail.mil. Comments or statements must include the author's name, title or affiliation, address, and daytime phone number. The DFO must receive written comments or statements being submitted in response to the agenda set forth in this notice by 12:00 p.m. on January 12, 2025, to be considered by the DIB. The DFO will review all timely submitted written

comments or statements with the DIB Chair and ensure the comments are provided to all members before the meeting. Written comments or statements received after January 12th may not be provided to the DIB until its next scheduled meeting. Please note that all submitted comments and statements will be treated as public documents and will be made available for public inspection, including, but not limited to, being posted on the DIB's website.

Submission for OMB Review; Comment Request

AGENCY: Office of the Under Secretary of Defense for Personnel and Readiness (OUSD (P&R)), Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by February 18, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Recruiting, Retaining, and Promoting Servicemembers who Identify as Hispanic or Latino/Latina; OMB Control Number 0704–RPSS.

Type of Request: New.

Number of Respondents: 2,140.

Responses per Respondent: 1.

Annual Responses: 2,140.

Average Burden per Response: 36.17 minutes.

Annual Burden Hours: 1,290.

Needs and Uses: Over the last several years, the DoD has been concerned about the force's ethnic composition due to underrepresentation of Hispanic or Latino/Latina service members in the senior grades across the services. The Fiscal Year 2022 National Defense Authorization Act (NDAA), Section 572, also requires a study focused on the recruitment, retention, and promotion of service members identifying as Hispanic. To address these items covered by the FY22 NDAA, OUSD (P&R) Office for Diversity, Equity, and Inclusion (ODEI) has contracted with CNA to conduct a study to identify and address gaps in DoD's understanding of the recruitment, retention, and career progression of Hispanic service members; evaluate past efforts and initiatives by DoD and the services aimed at increasing Hispanic representation; and identify key lessons learned or best practices that should inform future initiatives. As part of this study, CNA will conduct service-specific in-person and virtual focus groups with active-duty service members in the Marine Corps, Army, Navy, Air Force, and Space Force. The voluntary focus groups will inquire about focus group participants' opinions and experiences based on their military careers. The purpose of the focus groups is to better understand the challenges that service members face in recruiting, retention, and promotion, especially for those who identify as Hispanic or Latino/Latina.

Additionally, Florida International University, a subcontractor to CNA on this study, will conduct a survey among eligible members of the general Hispanic population who are registered to vote in the United States (U.S.), analyze the survey data, and produce a report detailing findings and recommendations for ODEI. The intent of the survey is to examine factors that influence the U.S. Hispanic population's perceptions of military service in the U.S. Armed Services and to identify the root causes for the notable disparity in the recruitment, retention, and promotion of service members who identify as Hispanic. Participation in the survey will be voluntary.
