

MEMORANDUM FOR RECORD

Defense Innovation Board (DIB) Information Session May 24, 2024 9:00am-10:30am EDT Virtual Session

External Participants: NATO stakeholders

DIB Participants: NATO stakeholders, MITRE, and US Department of Navy Office of Naval Research (ONR) members

DIB Staff: Marina Theodotou (DFO), Jacob Sharpe, Elliot Silverberg, Melanie Heinlein, Logan Hatfield, Juan Merizalde

Purpose: Preparatory session to gather information for "Allies and Partners" DIB report.

Session Summary:

The session emphasized strategies to strengthen NATO/Europe collaboration, streamline ITAR and TSFD processes for smoother international cooperation, gather input for rapid capability integration and communication interoperability, strike a balance between information security and sharing requirements, and optimize training to foster innovation among allies and partners.
